

CARDIOLOGY PHYSICIAN

Open to New 2024 Graduates. We are accepting J1 visa candidates.

Aligned Cardio Partners is seeking an Electrophysiologist to join our team at NOVA Cardiovascular Care in Northern Virginia. NOVA Cardiovascular Care's guiding principle is to take exceptional care of their patients by providing personalized attention to their cardiovascular health. Our physicians and staff are experienced in the most state-of-the-art and innovative technology, yet still understand the importance of human communication and compassion when caring for others.

Our team provides a full range of diagnostic tests, electrophysiology, nuclear imaging, exercise and non-exercise stress tests, carotid imaging, Holter monitoring, pacemaker and ICD insertion, angiogram and angioplasty and peripheral arterial and venous studies.

- 4 Physicians (1 general cardiology, 2 interventional, 1 EP)
- Very strong and growing referral base.
- Supportive work environment with a collaborative team of 19 advanced practice practitioners.
- Monday to Friday schedule w/ call expectations shared with other physicians (weeknights 1:7, weekends 1:8)
- Very competitive salary and benefits package.
- Sign-on and relocation negotiable.
- Partnership opportunity available.

Living in Northern Virginia offers the perfect blend of urban excitement and suburban tranquility. Just a short distance from Washington, D.C., the area provides access to world-class dining, entertainment, and cultural attractions, while maintaining a friendly, community-oriented atmosphere. With top-rated schools, beautiful parks, and endless recreational opportunities, Northern Virginia is an ideal place for families and professionals alike. Enjoy the best of both worlds, with vibrant city life and peaceful neighborhoods, all set against the scenic backdrop of Virginia's natural beauty.

Requirements:

- Doctor of medicine degree from an accredited school of medicine
- Board Certification/Eligibility in Internal Medicine, Cardiovascular Medicine
- Active Virginia Medical License or willing to apply.
- Proven experience in diagnosing and managing a wide range of cardiovascular conditions.
- Excellent clinical judgement and decision-making skills.
- Strong communication and interpersonal skills, with the ability to establish rapport with patients and colleagues.

Equal Employment Opportunity:

At NOVA Cardiovascular Care, we are committed to fostering a diverse and inclusive workplace where all individuals are valued and respected. We believe that diversity enriches our team and enables us to better serve our patients and communities. We welcome candidates from all backgrounds to apply and are dedicated to creating an environment where everyone feels empowered to contribute their unique perspectives and talents to our team and join us in promoting equity and opportunity for all.
